Subject: FW: Withdraw NMP

All, please see below. Further review of the newly submitted NMP is not required. We will let everyone know if they resubmit an application at a later time.

Thanks, Tom

Understood. We will withdraw the application for the land application site.

Thanks, Tom

We want to withdraw the entire application, until we resolve the county issues.

Thanks

Larry Downes

Good Morning Larry,

Following up to make sure I understand the ask. You want to withdraw the recent Nutrient Management Plan (NMP) that was submitted by Mike Holloway yesterday? This would mean that the Department would continue with processing the application as is. Or do you want to withdraw the entire application?

Thanks, Tom
