December 13, 2022, at 10:00 a.m. Clean Waterways Act Rulemaking Workshop Meeting 4 Agenda

This is the Fourth meeting of the Rulemaking Workshops convened by the Department of Environmental Protection (DEP). This Workshop is established to provide public input to DEP and Florida's water management districts (WMDs) related to rule development updating stormwater design and operation regulations under Part IV, Chapter 373, Florida Statutes. These rule updates will utilize the latest scientific information, as directed by Florida's Clean Waterways Act, specifically Section 5, Chapter 2020-150, Laws of Florida.

The Workshop meetings are open to the public. The DEP is hosting this public meeting via webinar and in person at 2600 Blair Stone Road, Room 609, Tallahassee, FL 32399. Interested parties should register for the webinar at the following link:
